

# Project Bulletin

## Wesley Hill Recreation Reserve Redevelopment Stage 1 – June 2017

Works continue on schedule at Wesley Hill with construction works commencing on the retaining wall.

Construction of the retaining wall

Works underway in June include:

- Concreting of the stairs to the forecourt.
- Completion of universal access ramp.
- Foundations and commencement of installation of the retaining wall.
- Foundation works for forecourt seating.
- Concreting of the cricket nets.
- Foundation works for the netball shelters.

It is anticipated that the entire project will be completed by the end of 2017.

Concrete stairs and seating in forecourt.

Foundation works for netball shelter.
