- In Person** – You can pay by credit card, EFTPOS, cash, cheque or money order at the Council Civic Centre (details below)
- Cheque** – Cheques and money orders should be made payable to Mount Alexander Shire Council

Commencing Work

Work shall not commence until a permit is issued except in the event of an emergency.

Your permit will take approximately 5 working days to process which may include a pre-permit inspection by a Council Officer.

Retrospective permits are unlikely to be granted.

Dial before you dig

Work shall not commence until underground services have been verified via dial before you dig.

Web address: 1100.com.au or telephone 1100

Traffic Management

For works within a road reserve, a traffic management plan must be drawn up by an accredited traffic controller, a copy must be submitted to Council prior to works commencing and kept on site at all times and produced upon request.

Significant Vegetation

There shall be no significant or native vegetation removed or damaged as part of the works without a relevant Planning Permit.

Damage to Councils Assets

Any damage to Council and/or other authority assets caused by the proposed works shall be repaired to the satisfaction of the responsible authority.

Public Liability

A copy of the contractor's public liability certificate of currency must be provided with the application. The public liability must cover a minimum of \$10 million for any one claim.
