

Project Bulletin

Wesley Hill Recreation Reserve Redevelopment Stage 1 – May 2017

Construction works continue at Wesley Hill Recreation Reserve, with the focus now on completing the asphalt netball courts and preparations to install the large retaining wall.

Base preparation for asphalt netball courts

Works undertaken in April / May include:

- Base preparation for the asphalt netball courts
- Further concreting of access stairs to the netball courts
- Commencement of foundations for seating in the forecourt
- Preparation for the universal access ramp
- Completion of drainage adjacent to the netball courts
- Excavation work for the acrylic netball courts

It is anticipated that the entire project will be complete by the end of 2017.

Foundations for forecourt seating

Excavation works for acrylic netball courts
